

FOR SALE: 1983 – 27' Cal Mark III

Direct inquiries to: field.accent@gmail.com.

General Description: This is a fresh water boat with Edson wheel steering. Following a 2016 survey, all major systems were replaced. Installed were a new 20 gal. water tank (and all hoses), new Jabsco head with 9 gallon holding tank, new throttle hardware, new digital Ray Marine Wind speed, direction and depth instruments, new battery charger, new Ray Marine 4000 Auto Pilot. All teak has been professionally renewed with four coats of Cetol natural. It has been docked, professionally serviced and stored at the Catawba Island Club near Port Clinton, Ohio. It's rigged for easy sailing, either single handed or crewed and is forgiving and fast.

Reason for sale: sadly age has caught up with the owner. Asking: \$13,900 (over \$20,000 invested).
